TRAFFIC ALERT – Trenton Mill Road

On or about Tuesday, May 20, 2008 the CSX railroad is planning on beginning repairs at the railroad crossing on Trenton Mill Road. The repairs are scheduled to be completed by the end of the day on May 21, 2008.

Motorists should use the alternate routes to avoid delays. Carroll County thanks motorists for their patience and cooperation and reminds them to use caution while driving through the work area.
