Landfill coupon redemption policy amended, allows 2 uses

July 1, 2009 – Effective July 1, Carroll County residents can redeem landfill coupons for two trips to the landfill instead of just one. Each property owner will still receive a single coupon to dispose of residential trash with a value of up to \$38 (1,000 pounds of waste). The new coupons have been mailed along with the upcoming property tax bills. These coupons are only available for residential customers, not businesses.

The Board of County Commissioners requested the policy be changed to allow the coupon's value to be split between two separate disposal trips. If the weight of the first trip is 500 pounds or less, one half of the coupon will be returned to the resident for a second disposal of up to 500 pounds. Each coupon can now be used for two smaller loads or one large load. If the initial trip is greater than 500 pounds, however, the coupon will be considered fully redeemed.

All vehicles are required to weigh in and out at the scale to accurately measure each load.

Carroll County residents may contact the Bureau of Solid Waste at (410) 386-2035 with any questions regarding this new policy.
