Landfill schedule changes

February 12, 2010 – Northern Landfill will remain closed until Monday. This is a change to what was announced previously. Employees of the landfill have been helping road crews to clear snow from county roadways, and therefore are unable to open access to their facility. They will open for regular hours of operation on Monday, Feb. 15. The landfill is regularly scheduled to be open on Presidents Day, even though all other county offices will be closed.
