

Cherry Branch P3 Tree Planting

Location

The Cherry Branch planting is located in Union Bridge within the Double Pipe Creek watershed.

Description

Carroll County Outdoor School students planted the 1 acre site in May 2015.

Project Engineer

N/A

Contractor

Aspen Landscape Contractors, Inc.

Project Budget

\$26,894.36

Project Timeline

The site was planted in May 2015, and maintenance of the planting will occur until September 2017.

Updates

The trees have been planted. The maintenance and replanting of a portion of Phase I and II will be included in Phase III RFP. A grant awarded by the Department of Natural Resources will fund the planting. The County CIP budget will fund three years of maintenance activities.
