

Elderwood Village

Location

The Elderwood Village project site is located off Monroe Avenue in Eldersburg, which is within the Liberty Reservoir watershed.

Description

This project will accomplish surface runoff control and treatment of 206 acres of drainage area in two residential subdivisions of Eldersburg, a commercial business center, and a portion of MD Route 26. The project embodies environmental stewardship by endeavoring to protect and enhance water quality in the local and Chesapeake Bay watersheds.

Project Engineer

CLSI, Inc.

Contractor

TBD

Project Budget

Engineering: \$111,074.50

Project Timeline

Construction is scheduled to begin in the summer of 2017.

Updates

The approval was obtained from the State Highway Administration. The County is currently awaiting signatures on legal documents relating to the property ownership and grant awards. The BRM anticipates submission to SHA with approval to advertise in the spring of 2017.
