

Finksburg Industrial Park

Location

The Finksburg Industrial Park is located adjacent to MD Route 91 and Industrial Park Drive in Finksburg. The project site is within the Liberty Reservoir watershed.

Description

This facility will be retrofitted and its drainage area tripled to 61.4 acres, 53% of which is commercial and industrial. A new drainage system will be implemented along Cedarhurst Drive and a paved route will be installed to allow Reese Fire Company truck access to pump water.

Project Engineer

CLSI, Inc.

Contractor

C.J. Miller

Project Budget

Engineering: \$138,200

Construction: \$2,337,753.25

Project Timeline

C.J. Miller is currently working on removal of sediment of the cross culvert and excavation of the pond bottom and slopes to the final grade.

Updates

Construction of the weir wall is underway. The pipes under MD Route 91 are currently being slip lined.
