

# Liberty Buffer Planting

## Location

The Liberty Buffer plantings are located on private residential properties within the Liberty Reservoir watershed.

## Description

A total of 5.51 acres were planted on nine private properties within the Liberty Reservoir watershed.

## Project Engineer

N/A

## Contractor

Red Hill Lawn Service, Inc.

## Project Budget

\$36,621.82

## Project Timeline

Anticipated to be completed by fall 2016.

## Updates

The planting was completed in spring 2014. Red Hill planted the trees, and a Department of Natural Resources grant will cover the first two years of maintenance. The third and final year of maintenance will be funded by Carroll County.
