

# Municipal Tree Plantings

## Location

The Municipal tree plantings are located on municipal properties within Carroll County.

## Description

The plantings consist of 26.42 acres of buffer plantings in the City of Taneytown, City of Westminster, Town of Hampstead, Town of Manchester, and the Westminster Rescue Mission.

## Project Engineer

N/A

## Contractor

Bibco

## Project Budget

\$131,263.96

## Project Timeline

The site was planted in November 2014. Maintenance of the planting will continue until September 2017.

## Updates

All plantings are complete and in the three year maintenance phase. The project was funded by a Department of Natural Resources grant; however, two of the three year maintenance periods will be funded through the County budget.
