“Body of missing Baltimore City man recovered”

Eldersburg, Carroll County, Maryland, September 13, 2011 ---- Just before 9:00 a.m. this morning, Baltimore City Watershed Rangers patrolling the Liberty Reservoir were stopped by a motorist along Route 26 reporting an object floating in the reservoir north of the Liberty Road Bridge. With the assistance of a Baltimore County Police Helicopter, Rangers located a partially decomposed body in the water and summonsed Sheriff's Deputies and Rescue Dive Teams from the Gamber Volunteer Fire Company.

Through the efforts of rescue personnel, forensic investigators and Watershed Rangers, the body was recovered and later identified by Sheriff's Detectives as 44 year old Christopher Anthony White of Baltimore. Previously diagnosed with anxiety, White was reported missing to Baltimore City Police on September 9, 2011 and has been the subject of a large, multi-agency search after a Maryland State Trooper discovered his vehicle parked unattended along the shoulder on Liberty Road adjacent to the Reservoir.

Sheriff's investigators did not locate any obvious signs of trauma on White's body, which has been transported to the State Medical Examiners Office for Autopsy. Sheriff's investigators are working closely with the Baltimore City Police in their investigation of the events leading to White's disappearance and death. Anyone with information about this incident is asked to contact Detective Corporal Carlos Bustos of the Carroll County Sheriff's Office at 410-386-2900, or the Anonymous TIPS Hotline at 1-888-399-TIPP. The investigation continues...
